Dear Parent/Guardian,

Welcome to Our Lady's Primary School. I am delighted that you are considering sending your child to our school.

Our Lady's Primary School is a Catholic Maintained Co-educational Primary School catering for pupils from age 4 to 11. There are currently 190 pupils enrolled in seven mixed ability classes from Reception/Primary 1 to Primary 7.

I hope this prospectus will give you an introduction to our school. However, if you wish to discuss anything further or view the school premises, please do not hesitate to contact us.

I look forward to meeting you and your child and hope it will be the beginning of many happy years of working together.

Yours Sincerely,
Tomás Mc Kee
Tomás Mc Kee
Principal

Background to our School

Our Lady's Primary School, Tullysaran was formed following the amalgamation of Tullysaran and Tullymore primary schools in 1997. We have six well-resourced classrooms with interactive white boards, indoor resource areas, large multi-purpose hall and extensive outdoor grounds with full access to a play park. The school delivers a broad and balanced educational experience in line with the requirements of the Northern Ireland Curriculum.

In school we place a great emphasis on pastoral care. We strive to ensure all our pupils feel safe, secure and happy so that they can achieve their full potential.

As a Catholic school we pride ourselves in our Catholic ethos which is evident throughout the school. Confirmation and First Communion are special community celebrations.

We offer a breakfast club from 8am in the morning and a 123 club for P1-3 children in the afternoon. We usually have a wide variety of extra-curricular activities on offer including; Irish, Cookery, Sports club, Art, Drama, Zumba, Fiddle, Karate, Tag Rugby, Soccer and Gaelic football. We also provide extra lessons for children in Primary 6 and 7 who are preparing for external examinations.

It is the policy of the school to make parents feel welcome, so don't hesitate to contact the school if you have any concerns.

Entrants to Reception or P1

New parents/guardians and their children will have an opportunity to spend 'a getting to know you' session with their teacher in Reception/P1 and meet the Principal who will inform them of the September arrangements for starting school. They will also be provided with a welcome booklet to share at home. This should happen in June. An information session for all parent(s)/guardian(s) of P1 children will be held in October.

New Parents/Guardians P2 – P7

You will be invited to meet the Principal and be given an opportunity to view the school premises. You may also have the opportunity to meet your child's prospective teacher.

Ethos Statement

Our Lady's Primary school is a focal point for the community. We want our school to be a caring environment which effectively develops the academic, personal, social and spiritual potential of each child.

We are a catholic school and as such we have a distinct ethos, but we welcome children from all faiths and none.

Catholic Education takes place in communities inspired by the Spirit of Christ. Christ's commandment to love God and neighbour inspires a caring ethos which is expressed in relationships within and beyond catholic schools.

The education in our school is person centred. It promotes the dignity, self-esteem and full development of each person who is made in God's image and uniquely loved by God.

Catholic Education is inclusive. It is respectful of, and engages with people of all beliefs; it encourages the religious development of all in their own faith.

Catholic Education is rooted in the gospel values of Respect for Life, Solidarity, Truth and Justice. It aims to harmonise faith and culture, build a better society and pursue the common good.

Together we aim to provide high quality rounded education for all our children so that they develop their full uniqueness and potential.

In our school the person and message of Christ find expression in:

- Communities of Faith, Service, Prayer and Worship.
- The development of each person's full potential in a climate of joy, freedom, respect, challenge, co-operation and celebration.
- The enrichment of pupil life-intellectual, physical, spiritual, moral, social and emotional.
- The promotion of a spirit of charity, social justice, global awareness and concern for others leading to practical outreach and partnerships.
- A cultural of tolerance where people of diverse identities are recognised welcomed respected and cherished.
- Listening, mutual understanding, trust, reconciliation, healing and peace.
- The preparation of pupils to lead fulfilling and purposeful lives which will contribute to the common good.
- Promotion of family life.

Curriculum

It is the policy of the Board of Governors of Our Lady's Primary School that all the pupils will receive their full entitlement under the Northern Ireland Curriculum. The School Development Plan is continually updated to take cognisance of changing needs, DENI policy and other initiatives. It is the tool for self-improvement for the whole school community where everyone has a say with an emphasis on promoting literacy and numeracy.

The curriculum shall be implemented so that the desire to learn will be encouraged in the pupils and that thinking and reasoning will be stimulated. It is important that children learn to independently apply themselves to the work in hand and are ready for transition at every stage.

The acquisition of knowledge and skills and understanding of what has been learned will be regarded as very important. This acquisition will, however, be placed in the context of the development of sound moral values based on the Catholic religion.

All parents will be invited to a curriculum information workshop at the beginning of the academic year. They will receive an overview of the year and additional information may be requested.

The School Day

The school hours are as follows:

Reception Class	9.00 am	1.00 pm (12noon until Halloween)
Primaries 1 to 3	9.00 am	2.00 pm
Primaries 4 to 7	9.00 am	3.00 pm

All children should come to the playground in the morning and line up in class lines when the bell rings at 9.00 am. Children are supervised in the playground from 8.40 am. When the bell rings they will be brought to their class by their class teacher. On wet mornings children should come directly into the school through the designated areas.

Meal Arrangements

Lunch/Dinner Times

Reception/Primary 1, 2, 3 & 4	12 noon to 1 pm
Primary 5 – 7	12.45 pm to 1.45 pm

Dinner from the school canteen is at a cost determined by EA, currently £2.60. Applications for assistance with payment of school dinners are available on the Education Authority website. If your child chooses to take lunch you are asked to bear in mind our healthy eating policy and refrain from including fizzy drinks or sweets in children's lunch boxes. We also have a number of children with severe food allergies so please ensure that your child does not bring nuts or seeded bread. Thank you.

Uniform

It is the Board of Governors' wish that all pupils should wear the school uniform which can be purchased at Dessie's in Armagh. The uniform gives the children a sense of identity with Our Lady's Primary School. Forms for assistance with purchases of uniform are available on the Education Authority website. All items of uniform should be clearly marked.

Reception/Primary 1 to 7

Blue sweat-shirt with crest

White polo shirt

Navy trousers or tracksuit bottoms (**Plain navy – not branded**)/Pinafore/Skirt

Plain black footwear

PE

Reception/P1 & P2- Black plimsoles

P 3-7 – T-shirt/jersey, shorts or tracksuit bottoms

Home School Partnership

Parents can and should help the school by taking an interest in all aspects of their children's work, by speaking well of the school and the teachers, and encouraging their children to be well behaved. Parents can also help by encouraging punctuality, the obeying of safety rules, ensuring that children wear the school uniform which should be kept neat and tidy and by collecting their children from school at the appointed time.

We ask parents to show interest in their child's class work and ensure that homework is completed to a good standard. They should be aware of school rules and procedures and encourage their children to abide by them. Parents are expected to attend planned meetings with teachers and support school functions. They should provide the school with all the necessary relevant background information about their children, or any significant change in their medical needs or home circumstances, including telling the school promptly about any concerns.

Parental Request for a Meeting

Parents are welcome to discuss their children's progress at any time. To avoid disruption of classroom work, the following procedures should be followed:

Emergency - Parents/guardians contact the school secretary who will arrange a discussion with the Principal, or in his absence, the Vice-Principal.

Non-Emergency - Parents/guardians should contact the school secretary to arrange a meeting with the class teacher at a mutually convenient time.

Progress Report

Parents will be informed of their children's progress by:

An annual meeting in which parents will be informed of the school's opinion of the child's progress and also of any information given by assessment procedures.

Parents will receive an annual written report, generally in June, on their child's progress.

Pastoral Care

In line with the policy of maximising the potential of each pupil the school recognises that it has a responsibility to do everything possible to care for each child's physical and emotional well-being. The school will endeavour to provide a comfortable and safe environment for learning.

All teachers and staff in the school have a duty of pastoral care for pupils. A teacher with special responsibility for Pastoral Care/Child Protection has been appointed by the Board of Governors to co-ordinate Pastoral Care and Safeguarding in the school. The school would be grateful to receive any information about any difficult home circumstances which may be causing distress or anxiety. This information will be treated as confidential and relayed to others, with parents' agreement, on a need-to-know basis.

A Pastoral Care leaflet incorporating Pastoral Care and Child Protection is issued at the start of each year. Detailed copies of our Pastoral Care and Child Protection Policies are available on request.

In all cases it will be the school policy to act in the best interests of the child.

Positive Behaviour

It is part of our policy to emphasise positive approaches to maintain and improve behaviour. This school promotes positive behaviour and attitudes by recognising and rewarding them. Each week a child(ren) from each class, Reception/Primary One to Primary Seven will be selected for the Merit award which will be formally presented to them during school assembly. Children will receive a Merit certificate and pencil. Their names, including the reasons why they received the award, will be recorded in the School Merit Register and read out at assembly. As a reward for achieving the Merit Award the class teacher may present other privileges to the child(ren) e.g. to be first in the line during the week.

It is the school policy that behaviour should be based on respect for self, respect for other pupils and respect for adults. In those cases, where a child has transgressed the school rules there is a graded set of sanctions involving various members of staff in order of seniority. In any case involving a serious breach of rules, parents/guardians will be involved either by receiving a written report from school, by telephone or by being invited to come to school to discuss the matter. The school's Positive Behaviour Policy outlines expectations, rules, rewards and sanctions.

Children with Additional and Special Educational Needs

Some of the children attending the school will have Special Educational Needs. These may arise from the child's physical need or his/her learning abilities. As it is the intention of the school to maximise the potential of each of the pupils, the school will endeavour, within its resources, to meet these needs.

All the teachers in Our Lady's Primary School have responsibility for children in their classes who have Special Educational Needs. It is our aim to ensure that the Special Educational Needs of children are identified as early as possible and that the procedures for meeting these needs are effective. We have adopted the Code of Practice and SENDO legislation which has enabled us to effectively meet the Special Educational Needs of the majority of children within the mainstream school with outside specialist help when necessary.

As a result, children with Special Educational Needs are taught the Northern Ireland Curriculum by their class teachers within the normal classroom setting. Class teachers and assistants meet regularly with the co-ordinator (SENCO) to discuss ways of differentiating activities and use of alternative resources to overcome learning difficulties and draw up Individual Education Plans (IEPS). We operate excellent sensory motor groups which focus on gross and fine motor skills each week.

We recognise the invaluable contribution that can be made by parents/guardians to assist their child's progress and it is our policy to keep them informed and to invite them to work in partnership with the school at every stage.

Our SENCO co-ordinates Special Need's Provision and organises withdrawal sessions as relevant. It may be necessary to refer a child to Educational Psychology. Special Needs Provision may be met by the Education Authority either with a Statement, through extra assistance in Our Lady's Primary School or by placement in another appropriate school. The process of determining that a child has Special Educational Needs in accordance with the law is a lengthy one and involves close co-operation among the teachers, school, medical authorities, educational psychologists and the parents.

A copy of our Special Needs Policy is available from the school.

Holidays

The school will be closed for the month of July, most of August and for all statutory holidays. Parents will be issued with 2021-22 holidays as soon as they are agreed and ratified by EA.

A number of exceptional closings are made available each year by D.E.N.I. for training purposes. Parents will be notified as soon as possible after these dates have been agreed.

In the event of an emergency closure every attempt will be made to notify parents to enable them to make alternative arrangements.

Parents are requested to arrange family holidays only during school closures.

Pupil Attendance

Parents are responsible for ensuring that their children attend school and arrive on time for lessons. We work with parents when necessary to improve attendance and punctuality. If attendance falls below 85% the Educational Welfare Service are informed. Parents should inform the school by phone on the first day of absence and submit a note explaining the absence when the child returns to school. Children with an attendance above 99% receive an award at the end of the school year. Our attendance rate for 2019-20 was 97%.

Religious Education

Our Lady's Primary School is a Catholic Maintained School; the Religious Education Programme follows the requirements of the Diocesan Religious Education committee. The ethos of the Catholic School permeates all aspects of school life and is delivered using the 'Grow in Love' series. Prayer is a regular part of the school day. Each school year begins and ends with a school Mass to which parents are invited. Classes celebrate assemblies throughout the year.

Children in Primary 4 will be prepared for First Confession and First Holy Communion and the pupils of Primary 7 will be prepared for the Sacrament of Confirmation.

Non-Catholics may be admitted to the school by the Board of Governors and special arrangements will be made for these children.

Equal Opportunities

We aim to promote an awareness of what we all have in common as children of a loving God. We believe that every child should have equal access to the curriculum, play and social development.

We expect every member of school to respect each other, whatever their race, gender, culture, religion, class, ability or disability.

We encourage awareness and understanding of each other's differences and will not accept verbal abuse of any kind, stereotyping, disrespect or physical violence.

The school will consider the needs of both children with SEN and gifted children when allocating resources.

Effort will be made to provide maximum access to the curriculum for all children.

Homework

Our Lady's Primary School values homework as a means of reinforcing work done, to research information unavailable in school, to involve parents in their children's studies and in the development of good work habits. Against this must be balanced each child's need for recreation and the development of private interests and hobbies.

Parents are asked to sign that homework has been completed and are requested to send a note when a pupil has been unable to complete homework for any reason.

Extra-Curricular Activities

Our Lady's Primary School has developed a wide variety of After School activities. It is the intention of the Board of Governors that this will be maintained and continued to be further developed. All pupils will be engaged in sport, music making and in both artistic and craft creations. There will also be the opportunity for the development of these interests in extra-curricular activities.

Eco Schools

We are an Eco-friendly school, achieving two green flags in recent years. Our Eco/Student Council work very closely with environmental groups, such as Sustrans. We promote active travel throughout the year and host a 'Ditch the Dark' day at the end of November. This involves all of children wearing bright clothes as they walk, cycle or scoot to school.

Breakfast & 123 Clubs

Our Lady's Primary School has established a Breakfast club from 8-8.40 am. Children are supervised and receive a warm breakfast of: cereal, pancake, toast, tea or water for £2 per day. Our 123 Club operates from 2-3pm for P1-3 children who participate in a variety of enjoyable, interactive activities at a charge of £3 per day.

Charging and Remissions Policy

Education in Our Lady's Primary school is provided free of charge for all lessons and activities connected with the child's entitlement under the Education Reform Order.

The school will appeal to parents from time to time for voluntary contributions or donations, but it is stressed that no child will be disadvantaged in any way if parents choose not to or cannot afford to make a contribution.

The school may take part in optional extras which are not connected with the school's formal curriculum, such as visits to the theatre. Charges will be made for these, but it is again stressed that failure to participate in these will not affect the child's performance at school. Written parental consent will be required before a child participates in school trips. There is a code of conduct for all educational trips.

Outside tutors who are providing after school classes will charge for their services and these will be passed on to parents.

Drugs Education

The emphasis of our drugs education programme, as outlined in our Drugs Policy, is on the dangers involved in the misuse of tobacco, alcohol and medicine. As our programme responds to need, we will include other substances when appropriate. This programme is delivered through Personal Development and Mutual Understanding, World Around Us and our Religious Education Programme.

Links with the Community

Our Lady's Primary School is proud of its standing in the community which it serves. The school works closely with the Armagh parish and pupils from the school have participated in Masses in the Church. The school has many sporting links, the strongest of these being with O'Connells GAC, Tullysaran. The club assists the school with coaching, hosting Cumann na mBunscol blitzes and other events. We use the Community Centre and are well supported by local businesses in the community. The school also has close links with local primary and post primary schools. We are involved in a PEACE IV Shared Education partnership with Drumsallen and Killylea Primary schools.

Handling Complaints Procedure

Our Lady's Primary School takes complaints very seriously. We have the best interests of all our pupils and their families at the centre of all we do. In this regard, we encourage anyone with a concern to speak to us as soon as possible. If concerns are dealt with at an early stage, then they are more likely to be resolved and there is no unnecessary dissatisfaction. Open communication and regular engagement between the school, parents/guardians and other stakeholders is vital to the effective management of the school. Therefore, we would encourage you to bring your concerns to us and we will aim to resolve them. In the first instance contact should be made with the class teacher. If the matter remains unresolved then an appointment can be made to meet with the Principal or Vice-Principal.

Complaints Procedure – At a glance

If, following Stage Two you remain dissatisfied with the outcome of your complaint, you can refer the matter to the Office of the Northern Ireland Public Services Ombudsman (NIPSO).

This procedure applies for complaints/concerns in general, relating to all aspects of the school life. The summary policy is issued to all parents on an annual basis.

Data Protection

Our Lady's Primary School requests information from parents regarding their children that may be personal or sometimes sensitive. The school seeks to comply with the relevant Data Protection legislation and ensures that all appropriate systems and procedures are put in place to safeguard this data. Parents will always be informed of the reason for the request for personal information and how the information is to be processed. At no time will the school provide parents' information to third parties unless directly related to their educational provision.

Mid-Academic Year Changes

If there are any changes in the above information due to unforeseen circumstances during the school year parents/guardians will be informed in writing of the nature of such a change.

If you have any queries, please do not hesitate to contact us. Likewise, if you are considering sending your child to our school and would like to visit, please contact the school to arrange an appointment. Thank you.
